Hotel & Marina

T. H. SELDON MEMORIAL LECTURE

Lawrence J. Saidman, M.D.

“Future Directions For Anesthesia Research”

Sunday, March 21, 1993 • 11:00 a.m.

REVIEW COURSE LECTURES

- P.G. Barash, M.D.** — Preoperative Risk Assessment
G. Bashein, M.D. — New Ultrasound Technology in Anesthesiology
J.L. Benumof, M.D. — Management Algorithm for the Difficult Airway
A.R. Brown, M.B, Ch.B. — What's New in Regional Anesthesia
R.A. Caplan, M.D. — Closed Claim Studies - Relevance to the Anesthesiologist
N. Ellison, M.D. — Alternatives to Allogenic (Homologous) Blood
F.M. Ferrante, M.D. — Acute Pain Management
T.J. Gal, M.D. — Preoperative Preparation of the Thoracic Surgical Patient
E. Geller, M.D. — Benzodiazepine and Their Antagonists
S.C. Hall, M.D. — What's New in Pediatric Anesthesia
M. Maze, M.D. — Alpha₂ Agonists in Anesthesia: The How, Why and When . . .
L.N. Milde, M.D. — What's New in Neuroanesthesia
R.D. Miller, M.D. - Use of Muscle Relaxants in Non-Operating Room Locations
R.G. Pearl, M.D., Ph.D. — What's New in Intensive Care
L. Priano, M.D., Ph.D. — Anesthesia for Vascular Surgery - Patient Assessment and Anesthetic Delivery
D.S. Prough, M.D. — Management of Cerebral Ischemia
J.G. Reves, M.D. — What's New in Cardiac Anesthesia
M.F. Roizen, M.D. — Outcome Studies: How Should They Affect My Practice?
J.J. Savarese, M.D. — Reversal of Neuromuscular Blockade - More Controversial Than Ever?
R.N. Sladen, M.D. — Temperature Regulation in the OR
S. Slogoff, M.D. — Monitoring for Myocardial Ischemia - How, When, Why Bother?
T.H. Stanley, M.D. — Anesthesia with Narcotics-Does Everyone Need 2 CC'S of Fentanyl?
R.K. Stoelting, M.D. — Understanding Allergic Reactions
J. H. Tinker, M.D. — CQI - Continuous Quality Improvement
H. Van Aken, M.D., Ph.D. — Deliberate Hypotension
P.F. White, Ph.D., M.D. — Short Acting Drugs - Do They Make a Difference?

SCIENTIFIC PAPERS AND POSTERS - More than 425 clinical and research papers will be presented in concurrent oral, poster and poster discussion sessions.

SCIENTIFIC AND TECHNICAL EXHIBITS - will be on display from Saturday, March 20 through 1:30 p.m. Monday, March 22. Exhibitor Product Seminars will be offered daily preceding the scientific sessions.

AMERICAN BOARD OF ANESTHESIOLOGY - Will conduct an informational program on the ABA examination and certification process.

TUTORIALS

Informative Tutorial Sessions will be offered in a small schoolroom setting on the following topics:

Practice Opportunities

Fiberoptic Bronchoscopy

Ask the Expert: OB Anesthesia

Deep Hypothermic Circulatory Arrest

Ask the Expert: Ambulatory Anesthesia

Regional Blocks: How To Do Them

Ask the Expert: Neuroanesthesia

TEE: Advanced Applications

TEE: For the Neophyte

Statistics

How Can We Improve Resident Education?

Practical Considerations in Running a Pain Service

Comparative Medical Economics-Canada, Europe, Japan

LUNCHEONS

Preoperative Testing - What's Necessary, Desirable, Affordable?

Is There a Best Anesthetic?

The Election's Over: What Are the Economic Implications?

GENERAL INFORMATION

SCHEDULE - Registration opens at 1 p.m. on Friday, March 19. Scientific sessions are scheduled from 8:30 a.m. to 5:00 p.m. on Saturday, Sunday, and Monday, March 20-22 and from 8:30 a.m. to noon on Tuesday, March 23. The detailed daily schedule will be included in the preliminary meeting program which will be mailed in December to IARS members.

CME CREDIT - 30 hours in Category 1.

REGISTRATION FEES

IARS Members	\$325 (\$350 on site)
IARS Educational Members	No Fee
Non-Members	\$500 (\$525 on site)
Non-Member Residents	\$50 (with certification)

Registration and hotel reservation forms will be included in the December mailing to members. Non-IARS members may receive this information on request to the IARS Cleveland office: (216) 642-1124; FAX: (216) 642-1127.

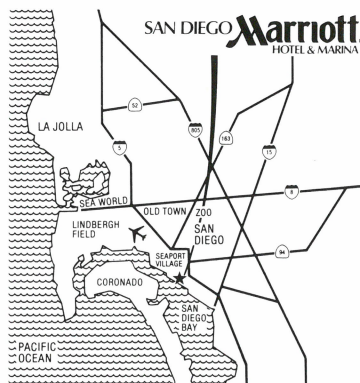

SPECIAL TRAVEL ARRANGEMENTS

INTERNATIONAL TRAVEL SERVICE, INC. will be providing personalized airline reservation service to all 67th Congress attendees. I.T.S. offers the convenience of one phone call for access to the airline of your choice and **guarantees the lowest fares available to San Diego**. Frequent Flyer mileage credits are earned and ITS will provide two complimentary in-flight beverage/headset coupons on all United Airlines flights. Reservations can be made through their toll free number below and may be charged to major credit cards. Make sure you mention the IARS 67th Congress.

1-800-621-1083

HOTEL

All meetings and exhibits will be held at the **San Diego Marriott Hotel & Marina**, San Diego's largest convention hotel, which offers services and accommodations of dramatic dimensions in a premiere downtown meeting location that overlooks its own marina on San Diego Bay. The hotel is ten minutes from the San Diego International Airport and is walking distance from Seaport Village, Horton Plaza and acres of beautiful parkland. In addition to its many fine restaurants, the Marriott has an 11-suite business center complete with secretarial, communications and technical support; a fitness center with whirlpool and sauna, two heated pools; and six lighted tennis courts. Hotel reservation forms will be included with the December mailing to all IARS members.

SAN DIEGO

"America's finest city" with historic charm and enviable recreation. San Diego combines the warm dry desert air with the cool Pacific breezes to create a fabulous near perfect climate. The city boasts a variety of water views, beautiful beaches and numerous attractions such as the world famous San Diego Zoo, Sea World, Old Town, Balboa Park, Seaport Village and La Jolla. A diversity of wonderful restaurants and shopping locations are sure to satisfy all tastes. A variety of tours will be offered to assist you in exploring the best kept secret on the west coast.
